

FUND PROBERS MEET FRIDAY

Federal Office Holders to Be
Questioned by Com-
mittee Here.

(By Universal Service.)

Senator Kenyon, of Iowa, chairman of the Senate committee investigating campaign funds, will shortly issue a call for a meeting of the committee to be held in Washington Friday. It will investigate the alleged collection of Democratic campaign funds from Federal office holders.

There was some question as to whether the next session would be held in Washington or New York, but I understand it has been definitely agreed it had better be held here," said C. H. Miller, secretary of the Republican national committee yesterday.

Senator Borah, who is touring the country on the league issue, will leave for Jersey City, where he will speak tomorrow night. On Wednesday he will speak at Waterbury, Conn., and on Thursday and Friday, he appears at Lynn and Lawrence in Massachusetts.

DANCE PLANNED FOR CITY CLUB

Elaborate Winter Season
Being Outlined by Social
Committee.

Two big social events for the fall are being planned by the City Club, according to announcement by Harry S. Evans, chairman of the entertainment committee.

The club proposes to hold a musical and dance next month, for members and their ladies only, in the ballroom of one of the large hotels.

The club also proposes a stag entertainment and smoker for members only, to be held late in November or early in December.

An elaborate social program for the winter season now is being outlined by the committee.

The social events will be in addition to the club's weekly forum luncheons and the general monthly meetings. The first of the monthly meetings for the fall season probably will be held during the second week in October.

JUDGE GIVES MOTHER 30 DAYS TO WIN AFFECTION OF DAUGHTER

JOSEPHINE IMMORDINO.

Brooklyn, Sept. 18.—Justice Squiers, of the Brooklyn supreme court, has given Mrs. Mary Immordino 30 days to win the affection of her 15-year-old daughter, Josephine. The girl has lived with her uncle and aunt, Mr. and Mrs. Michael Garrati, for 10 years, since the death of her father. In court, recently, she said she owed everything to her uncle and aunt, and that she didn't care to go to her mother. The court ruled that if the girl showed no more love for her mother in thirty days, he could do nothing.

COX PRESENTS 4 H.C.L. "CURES"

Says Harding Could Have
Helped in Senate But
"Was Silent."

San Francisco, Sept. 18.—Advocating "four concrete and definite measures," for reduction of the high cost of living and elimination of profiteers, Gov. James M. Cox, in speeches to great audiences in Oakland and San Francisco, today declared the voice of Senator Harding was "silent" when he had an opportunity to support these measures in the Senate.

Gov. Cox advocated:

1—A law limiting the period during which goods may be kept in cold storage.

2—A law requiring that the price at which goods were placed in storage must be marked upon them.

3—A law requiring that all goods destined for interstate commerce shall be marked with the price at which they left the hands of the producer.

4—A law licensing and regulating corporations engaged in interstate commerce so as to prevent unconscionable profits.

These measures, the Governor said, were presented in the Senate and that Senator Harding had an opportunity to break away from the "reactionary crowd" but remained silent.

Shot Father-in-Law, Charge; Jury Disagrees

Luray, Va., Sept. 18.—The jury which for several days has been hearing the case of James F. Atkins for the shooting and dangerously wounding of John A. Pullin in Rappahannock County, has been discharged because they could not agree.

The men quarreled over some domestic trouble, when Pullin had his arm shot and badly lacerated. Amputation was necessary. Atkins married a daughter of Pullin, the former being 76 years of age, while Atkins is about 40.
